GIVE BACK TO THE FUTURE

Dear Friend of the Elaine Clark Center,

Since 1969, The Elaine Clark Center has proudly served families and children with special needs from all over the Metro Atlanta area. It has always been our mission to enable children of all abilities to become confident and contributing citizens of society. As we reflect on our journey so far, we are reminded of the immense impact that giving back to the community has had on shaping a brighter future for our students.

Our theme this year, **"Give Back to the Future,"** underscores the essence of our mission. We believe in creating a world in which every child, regardless of their unique abilities, deserves a chance to shape their future. We strive to create an environment that nurtures growth, fosters inclusivity, and empowers our students to overcome challenges and fulfill their potential.

As we look ahead, we recognize that the road to a brighter future is an ongoing journey. We invite you to be a part of this journey by serving as a sponsor for our annual fundraising initiatives. Your sponsorship will enable us to further our mission and impactful programs.

Join us in giving back to the future, ensuring that we can continue to offer specialized services to our students. Can we count on your support to help us **give back to the future**?

Best Regards,
Beth Schmehling-Cook
Executive Director
